JAIPUR ADVENTURES

Distance from Hotel Clarks Amer: 27.1 km

SkyWaltz Ballon Safari

SkyWaltz offers a premier balloon safari experience that combines top-notch safety, expert pilots, and stunning aerial views to create unforgettable memories. With a strong focus on passenger well-being and professionalism, every journey is seamless and enjoyable. Ideal for romantic proposals, special birthdays, or peaceful getaways, SkyWaltz tailors each adventure to create cherished moments. From breathtaking vistas to the serene beauty of nature, every flight promises awe, wonder, and lasting impressions.

Jhalana Leopard Safari

India's first dedicated leopard reserve, the reserve is renowned for its thriving leopard population, with over 40 leopards, including cubs. Unlike their typically nocturnal counterparts, the leopards here are diurnal, making daytime sightings more common. Beyond leopards, the reserve boasts a diverse array of wildlife, including striped hyenas, desert foxes, jackals, Indian civets, desert and jungle cats, porcupines, nilgai (blue bulls), sambar deer, spotted deer (chital), monitor lizards, and various snake species..

KNOW ABOUT OSI

OSI is a professional organization dedicated to advancing the science, education, and clinical practice of osseointegration - the process by which a dental implant integrates with the bone. OSI brings together dental professionals, implantologists, researchers, and academicians across India to promote excellence in the field of implantology through knowledge sharing, innovation, and collaboration.

OSI WORKS FOR?

The Osseointegration Society of India (OSI) works to elevate the field of dental implantology by promoting clinical excellence, supporting research and innovation, educating dental professionals, and building a strong community of implantologists across India. OSI is committed to setting high standards and shaping the future of implant dentistry through its core values of Integration, Innovation, and Invention.
